Summary of Failed Observations		Hand Hygiene <u>NOT</u> Done Properly	Hand Hygiene <u>NOT</u> done	Hand Hygiene <u>NOT</u> Done Properly
Provider Group	Home and Community Care			
	Nurses			
	Mental Health & Addictions			
	Administration			
	Community Health Reps			
	Site Admin Coordinators			
	<b>Other community members</b>	<b>8</b>		<b>8</b>

Community compliance for this date was 89%.

Community members who were not compliant were asked review proper hand washing techniques by using the educational hand washing posters that are visible in all community washrooms, kitchens, etc.
